Mr. Abdul Alkayali,
Certified Nutraceuticals
15045 Adams Drive Box 1065
Pauma Valley, CA 92061

Dear Mr. Abdul Alkayali,

We would like to thank you for your interest in continuing to participate in the Food and Drug Administration's (FDA) Center for Food Safety and Applied Nutrition (CFSAN) Collagen and Gelatin Export Certification Program. I have reviewed your application for continuation of Certified Nutraceuticals inclusion on the list of firms/establishments that have been approved to export gelatin and collagen derived from hides, skins, and bones of cattle and swine, intended for human consumption and dispatch from the United States (US), and have found the accompanying required paper work to complete and in compliance with current U.S. FDA's regulatory requirements for gelatin and collagen production.

Thus, this correspondence shall serve as formal notice that the establishment at Henningsen Foods Inc., 402 North 3rd Street, Norfolk, NE 687012931 has been found to be in good standing with FDA's inspection and regulatory requirements, and will continue to be included on FDA's list of firms/establishments approved to export gelatin and collagen to European Union, for a period of one year commencing on the date receipt (June 29, 2016) of the application.

Kind regards,

A handwritten signature in blue ink, appearing to read "Jeffrey J. Hamer".
